

a Road-context effect on RPM-prediction MAE

Trip and temporal transfer
Unseen trip

October 2018

Spatial and road-function transfer
Single held-out area

Motorway-largest-share
holdout

b Training support and domain separation

Relative MAE effect on segment-mean RPM (%)

Trip and temporal transfer
Unseen trip

October 2018

Spatial and road-function transfer
Single held-out area

Motorway-largest-share
holdout
